David will play this Sunday, June 6, 2021 - Tessika and Shango will sing  
And we will **all** sing hymns with masks on!

*We are the Church - we will use an excess of caution to keep all safe in the Sanctuary,  
especially for the protection of those not yet vaccinated.*

- \* *Please wear a mask over your mouth and nose at all times except when receiving communion*
- \* *Clergy, Readers and Music Ministers at the front of the Sanctuary are at a distance from the congregation and will remove their masks when reading or singing.*
- \* *Please be seated with your household or extended household and distance yourselves at least 2 rows and 2 seats apart.*
- \* *We will serve Communion with prefilled and sealed wine and wafer cups.*
- \* *For at least the first two services we will not serve food or drinks other than bottled water.*
